1. VODKA

Small-batch distilled and made from 100% non-GMO corn for optimum smoothness. This neutral spirit is clean with a crisp finish. Great base for flavored cocktails | 40% abv | Available in: 357ml / 750ml

2. LEFT COAST HEMP VODKA

Distilled with organic Canadian hemp seeds - a mixture of raw (grassy/green flavour) and toasted (warm/nutty flavour). Base is a non-GMO corn ethanol The rich texture is from the oils in hemp seeds that come through in the distillation. Mixes well with coffee or chocolate, but also very tasty in a Caesar (Bloody Mary) or martini | 42% abv | Available in: 375ml / 750ml

3. SIDNEY SPICED

Released in December of 2016, this spirit will be called 'rum' once aged for 12 months in barrels (as per Canadian spirit laws). Base of 50% molasses and 50% fair trade organic cane sugar by Victoria-based Level Ground Trading. The addition of carefully selected organic vanilla beans, orange peel, ginger root, star anise and orris root give this classic spirit further warmth and complexity. Sidney Spiced makes a tasty Dark & Stormy, and is an addictive pairing with eggnog over the holidays! | 42.5% abv | Available in: 375ml / 750ml

4. BRANDY

This traditional spirit is aged in a combination of new French and American oak barrels. Caramels and vanillas from the wood mingle with the rich fruit flavour | 40% abv | Available in: 375ml

5. CHOCOLATE LIQUEUR

Released in December of 2016, this lovely liqueur is reminiscent of a fine dark chocolate bar. This liqueur uses the same cane sugar base as the Sidney Spiced. Fair trade cacao nibs and husks, grown at Costa Esmeraldes Farm in Ecuador and refined by Sirene Chocolate Makers in Victoria, are macerated in the pure cane spirit. A touch of sweetness is added to bring out the flavour of the organic chocolate. At 25% ABV, this delicious spirit is a treat in coffee or even over ice cream | 25% abv | Available in: 375ml
